

LED strip light STG 5m RGB color change

Description

The LED RGB color changing strip lights offer numerous ways of decorative illumination. Using the optional RGB controller with remote control, you can create impressive lighting effects. Choose between various mixed colors, gradients and effects, and adjust the desired brightness. The included clips allow an easy mounting of the strips. The strips are waterproof, so they are also well suited for outdoor usage.

Ref.	46237
EAN	4043619462377
Country of origin	China
Customs tariff number	94054039

Specification

- Elastic LED strip light
- 12V DC, power supply optional (item no. 46250)
- 150x SMD5050 RGB 3in1 LED
- Power consumption: 36W
- Current demand: 3000mA
- Luminous flux: 1650 Lumen
- Protection class: IP68
- Dimensions: 5000 * 10 * 5 mm
- Optional RGB controller is needed! (item no. 46253)

Package content

- LED strip light
- Mounting clips

Package

- Antistatic bag
