

Delock Lighting LED desktop lamp silver

Description

The energy-saving LED desktop light is suitable for different purposes, e.g. for home use or in the office, as the flexible neck with a length of 350mm and the clamping device grant a nearly universal fastening. The lamp does not release as much heat as conventional lamps, and every user can choose his favorite color among the colored covers that come with the lamp. The head of the lamp is rotatable and the on/off switch is located at the head within easy reach.
